

Hello to all parents and guardians!

My name is Katie Dow and I am a STU Intern in Mrs. Sinclair's grade 3/4-classroom. I started my internship March 12th and I will be here until May 5th. I have really enjoyed getting to know your children so far. They are all fantastic, hard-working students who are great to work with. I just wanted to send a quick note letting you all know that I am here, and how to reach me if you have any questions. My email address is hfhbs@stu.ca and my phone number is 471-6420. I look forward to teaching and working with your children over the next 6 weeks. You can look on the Park Street School website (in the news section) for photos of the current STU interns and their co-operating teachers!

Sincerely,
Katie Dow
